

Amend of bidding documents Group - 3 : Data Center Core Network Devices				
S/L	Annexure / Page No/	Item /Section	Existing info	Amended Info
1	General Section page : 11	Financial format	Total Cost = (5+6)	Total Cost = ((3*4) + 5 + 6)
2	Core Router	Interface	Should have at least 6 x 1 GE SFP ports with 6 x 1G Copper Based SFP module. Module should be OEM original.	Should have at least 6 x 1 GE SFP ports with 6 x 1G Copper Based SFP module and 08 FE WAN port Module . Module should be OEM original.
3	Internet Router	Interface	Router should have Min. 4 x 1GE onboard dual purpose Routing Ports.	Router should have Min. 4 x 1GE onboard dual purpose Routing Ports & 08 GE Lan port Module . Module should be OEM original.
4	Server Farm Switch	General Feature	Offered device must have minimum 48 x 1/10GBase-T and 6 X 40 G QSFP ports with Direct attach transceiver based 7 meter cables.	Offered device must have minimum 96 x 1/10GBase-T and 6 X 40 G QSFP ports with 4 nos 40G QSFP module
			Offered device must Include 2x 40G SFP Module with Direct attach transceiver based 7 meter cables.	Offered device must Include 1 nos 40G to 4x10 GSFP breakout Module with Direct attach transceiver based 5 meter cables.
6	Access Switch- Type 01	Quantity	Quantity: 7 Pieces	Quantity : 5 pieces
7	Access Switch - Type 1 & 2	Stacking cable	Not Mention	1 (One) Stacking cable for each individual access switches of Type -1 & 2 .
8	NMS	10 : Log & Event Manager (LEM)	10.1 Should have collected the log from the devices and store in a server 10.2 Should have user friendly reporting. 10.3 License for 20 devices for Log & Event Manager (LEM)	Not Required
		18 : License	18:1 Vendor needs to quote 300 interface/elements license & License for 15 devices for Log & Event Manager (LEM) for 3 (Three) Years .	18:1 Vendor needs to quote 500 interface/elements /Devices license for 3 (Three) Years full subscription ,support and warrenty .

Handwritten signatures and initials.
