This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing. Those standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

The financial statements of the Bank's subsidiary, namely Shahjalal Islami Bank Securities Limited reflects total assets of Tk. 6,726,405,812 as at 31 December 2011 and total revenue of Tk.611,380,020 for the period ended 31 December 2011. DEFOCIO CONTRO C

recognized by the National Board of Revenue of Bangladesh. The Fund is administered by a Board of Trustees and is funded by fixed contributions equally from the employees and the bank. The fund is managed separately from the bank's assets, as per rules of the fund & section 399 of the Companies Act 1994.

Gratuity Fund (Define Benefit Plan)

Gratuity benefits are given to the staff of the Bank in accordance with the approved Gratuity Fund Rules. National Board of Revenue has approved the gratuity fund as a recognized gratuity fund and the fund is operated by a separate Board of Trustees. Employees are entitled to gratuity benefit after completion of minimum 05 (five) years of service in the Bank. The gratuity is calculated on the basis of last basic pay of every employee in service as per BAS-19 "Employee Benefits". Gratuity fund is a "Defined Benefit Plan" and payable as per the modalities of the rules. Gratuity so calculated is transferred to the fund and charged to expenses of the Bank.

Other Employee Benefits

Superannuation Fund

"Shahjalal Islami Bank Limited Empoyees' Social security- Superannuation Fund" commenced with effect from 1st January 2008. The purpose of the fund is to provide medical and death cum survival $\,$ benefit in lieu of group insurance (death cum endowment). The fund shall be subscribed by the employees on monthly basis and with the contribution of the Bank.

The Benevolent Fund for the regular and confirmed employee's of Shahjalal Islami Bank Limited was established in the year 2007. This fund is mainly used for payment of scholarship to the meritorious students among the children of SJIBL's officers and sub-staff, to allow short-term quard/grant for the unexpected and certain needs of the staff of SJIBL and their family like accident, clinical treatment, marriage ceremony, etc.

Incentive Bonus

The Bank usually paid incentive bonus among its employees. The Payment of incentive Bonus does not exceed 10% of disclosed net profit of the bank as per section 30(j) of Income tax Ordinance, 1984. This bonus amount is distributed among the employees on annual basis considering specific terms & regulations.

2.25 Reconciliation of books of Accounts.

Books of Account in regard to inter-Bank are reconciled and un-reconciled entries in case of interbranch transactions on the reporting date are not mentionable, which are, due to the time-gap before finalizing the same. Inter-branch outstanding entries are less than 01 month, detail of which are disclosed in Note 13.3

2.26 Related Party Transactions

The Bank entered into transactions with the related parties complying with the requirements of Section 27(1) of the Bank Company Act 1991. All the related party transactions have been accounted for, the detail of which are disclosed in Note 49.00.

2.27 Risk Management

Shahjalal Islami Bank has plan for diversification of Investment by Size, Sector, Geographical Area, Economic Purpose and Securities and Development of a balanced Investment portfolio of the Bank.

Investment (Lending) is the principal function of a Bank. At the same time, there is an underlying/ inherent risk in any Investment (Credit). Investment comprises a very large portion of a Bank's total activities. As such, due diligence and prudential judgment / decision is a precondition for a sound Investment practice and there¬fore, is very important for profitability and success of a Bank.

The Bank has established control mechanisms to identify, measure and monitor the exposure to Investment (Lending), market and liquidity risks. In this context, the quality of assets of the Bank is given here under:

Total Assets	BDT 1,07,229 million
Total Investments	BDT 80,592 million
Classified Investments	BDT 1,523 million
Percentage of Investment to total Assets	75.16 %
Percentage of Classified Investments to total Inve	estments 1.89 %

Investment Risk

The Management of specific investment risk is developed according to associated risk with individual business units. The investment risk management function ensures that appropriate policies are established and ensures compliance with the related sanction, monitoring procedures and controls at the business unit level. Investment exposures are aggregated from individual business units and are monitored on a regular basis.

Investment involved risks may be summarized as under:

- Difficulty in choosing core business. · Failure in business of the customer.
- Encompassing a blend of banking and non-banking service. · Investment either too liquid or of questionable quality.
- · Competition from other commercial banks.
- · Security Control Risk.
- · Market volatility both local and global.

Portfolio monitoring is carried out by asset quality, background of the customer, soundness and viability of his business and cash flow etc, sector of the economy, cost of long-term financing to match with the return on long-term investment.

The Bank pays adequate emphasis on business risk than analysis of security risk because the security reduces the risk but does not always improve the quality of investment. Besides, the Bank addresses the Investment (Credit) risk guideline cited by the Bangladesh Bank.

rds to other parts of the banking business, the control staffs follow a pragmatic program of regular monitoring and follow-up.

Market Risk

Expert opinion for choosing core business area, finding out new business sector, arranging low cost fund to invest at lower rate, steps to avoid undue and unfair competition with the commercial banks etc. are effective measure to reduce the market risk.

Liquidity risk is more important area to think by the banking company to match with the financing and Investment (lending). Long term and stable financings is required for long-term investment. Beside, inflow of cash through collection of dues against Investment in time is also essential. Effective monitoring and follow-up is the important tools to ensure the required collection.

2.28 Foreign Exchange Risk Management

The Financial Institutions' performance is directly related to Foreign Exchange Market. To ensure effective Foreign Exchange Risk Management, the Bank has wide scope in establishing organizational structure and formulating Manual as per Guidelines of Bangladesh Bank. However, the bank has already formulated a comprehensive manual. Bank maintains various NOSTRO accounts in order to conduct operations in different currencies including BDT. The senior management of the bank set limits for handling NOSTRO accounts transactions that include time & amount limits. As per guidelines of Bangladesh Bank the Foreign Exchange business should be audited internally to review the key control issues such as various limits, compliance requirements and statutory management.

2.29 Profit (Interest) rate Risk

The Bank monitored the overall profit rate movement of the market through ALCO meeting on a regular basis. The Asset Liability Committee efficiently monitors the sensitivity of profit rate of its entire portfolio. The committee also monitors the mismatches in its assets and liabilities and reprices them accordingly; thereby the Bank was able to maintain a stable Net Profit Margin.

2.30 Operational Risk

Operational Risk may arise from errors, frauds & forgeries, surprises and improper processes due to lack of effective internal control and compliance mechanism. Management has strengthened the Bank's control and compliance mechanism by restructuring its Internal Control & Compliance Division. Audit & Inspection Unit of this Division conducts Comprehensive /Surprise/Special Inspection of the Branches and important Divisions of Head Office periodically towards day to day operations and also the software based operational system, Compliance Unit ensures timely compliance of regulatory requirements and Monitoring Unit monitors the operational performance of the Bank.

2.31 Asset Liability Risk Management

The Asset Liability Management Committee (ALCO) that is formed with the senior executives headed by Managing Director conducted 12 meetings in 2011. The key agenda of the meetings were liquidity position, pricing, risk related to the Balance Sheet, maintaining CRR & SLR, Economic outlook & Market Status and rate of profit (interest). For managing properly Balance Sheet risk, the bank has already prepared a Manual of The Asset Liability Management according to the guidelines of Bangladesh Bank.

2.32 Anti-Money Laundering Risk Management

As per Anti-Money Laundering Act 2002 Bangladesh Bank issued guidelines that each Bank and Financial Institution must develop, administer and maintain an Anti-Money Laundering policy that ensures and monitors compliance with the Act. The Bank ensures its Anti-Money Laundering Risk through Central Compliance Unit (CCU) at Head Office level. As per Guidelines of Bangladesh Bank, the Bank has formulated an Anti-Money Laundering Compliance policy.

2.33 Information and Communication Technology

According to BRPD Circular No. 14 dated 23 October 2005 regarding "Guideline on Information and Communication Technology for Scheduled Banks", The Bank has followed IT Manual which deals operational risk, physical security control, potential for wide area disaster, data center disaster, recovery plan and backup/restore plan. The customers of SJIBL are enjoying 24 hours remote banking facilities through using SWIFT, Reuters, SJIBL Visa Debit Card, Push-Pull Services & SMS banking facilities. The Bank joined Q Cash consortium which ATM and POS services are being offered to its customers to meet the demand of time. Moreover, The Bank has started migration from existing software PCBank 2000 to BankUltimus for introducing technology-based total banking solution module, i.e. core banking software.

2.34 Corporate Governance

The Bank has given the priority to the compliance of the rules, regulations and guidelines of Bangladesh Bank, National Board of Revenue & Securities and Exchange Commission. The Bank has compiled with all related accounting standards adopted by the Institute of Chartered Accountants of Bangladesh.

Islamic banks and financial institutions, investment in this funds is to be considered as a component of Statutory Liquidity Ratio (SLR).

The mobilized fund from Islamic Bond is investment by Bangladesh Bank and a portion of realized $profit\ distributes\ among\ the\ bond\ holders\ as\ per\ mudaraba\ principle\ of\ Islamic\ Shariah\ on\ the\ basis$ of the tenor of the bond. So the rate of return from Islamic Bond is depended on fund deployment of profit realization which is not prefixed.

AUDITOR'S REPORT TO THE SHAREHOLDERS OF SHAHJALAL ISLAMI BANK SECURITIES LIMITED

We have audited the accompanying financial statements of SHAHJALAL ISLAMI BANK SECURITIES LIMITED, which comprise the statement of financial position as at December 31, 2011, the statement of comprehensive income, for the period from May 25 to December 31 , statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management of SHAHJALAL ISLAMI BANK SECURITIES LIMITED is responsible for the preparation and fair $presentation\ of\ these\ financial\ statements\ in\ accordance\ with\ Bangladesh\ Financial\ Reporting\ Standards$ (BFRS), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or erro

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BSA). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Managing Director

In our opinion, the financial statements, prepared in accordance with Bangladesh Financial Reporting Standard (BFRS), give a true and fair view of the financial position as at December 31,2011 and its financial performance for the period from May 25, 2011 to December 31, 2011 and its cash flows for the year then ended and comply with the Companies Act 1994, the Securities and Exchange Act 1993, the Securities and Exchange Rules 1987, conditions and regulations issued by the Securities and Exchange Commission and other applicable laws and regulations.
